

## Brief CV

Name/中文姓名	Zhao Tian	Gender	M	
Title (Pro./Dr.)	Dr	Country	Australia	
University/Department	The University of Adelaide, School of Mechanical Engineering			
Personal Web Sites				
Research Area	CFD, renewable energy			
<p>Dr Zhao Tian is a senior lecturer at the School of Mechanical Engineering in the University of Adelaide, Australia. His research and teaching interests focus on computational fluid dynamics (CFD) and CFD modelling of engineering applications, particularly coal/biomass combustion, renewable flows and solar-enhanced combustion/gasification.</p>
