

Brief CV

Name/中文姓名	Zhibao Huo/霍志保	Gender	Male	
Title (Pro./Dr.)	Professor. Dr	Country	China	
University/Department	Shanghai Ocean University, College of Marine Ecology and Environment			
Personal Web Sites	http://sthj.shou.edu.cn/2019/0917/c8820a252197/page.htm			
Research Area	<ol style="list-style-type: none">1. Conversion of biomass/waste into chemicals and fuels2. Bio-based materials production and application3. Conversion of CO₂ into chemicals			
<p>Zhibao Huo is a distinguished professor at Shanghai Ocean University and a distinguished professor sponsored by the Program for Professor of Special Appointment (Eastern Scholar) at Shanghai Institutions of Higher Learning. He received Ph.D. at Prof. Yoshinori Yamamoto's research group from Tohoku University, Japan (2007). From 2007 to 2010, he continued postdoctoral follow at same research group. In 2010, he returned to China and joined School of Environmental Science and Engineering of Shanghai Jiao Tong University (SJTU). In 2018, he joined College of Marine Ecology and Environment of Shanghai Ocean University. His researches focused on biomass/waste conversion into chemicals and fuels, CO₂ conversion and green chemistry. He had authored more than 130 scientific publications, including peer-reviewed papers, patents and book chapters (such as an ACS series book, a Springer book and a CRC book), and gave some plenary/keynote/invited presentations.</p>
